

25 August 2019

Dear Parents/Guardians:

I hope you have all had a great summer. Registration for this years YBC program will begin on Saturday September 7, 2019 at 9:30 a.m. and will continue on the following Saturday. YBC bowlers please come prepared to bowl.

This year the cost of registration will be \$50.00 per child and includes a bowling shirt (if required). The weekly fees are: \$9.00 for Bowlasaurus' and \$12.00 for Bantam, Junior & Senior bowlers. If you qualify for the family plan (3 or more bowlers) the cost will be \$2.00 for each child after two. We will also be offering a free Banquet ticket to our bowlers/volunteers with 75% attendance or more. Please note: You will be advised in advance for any tournament that carries an additional cost.

All bowlers will be required to wear their Merivale YBC bowling shirt and bowling shoes. We suggest that the smaller bowlers bring slippers as size 12 is the smallest shoes we have available. Please note that all bowlers are required to participate in the Bowl Canada National Fundraising Campaign.

We are always recruiting coaches/volunteers to help run our rather large program. If you want to help, please let us know when you register your child(ren). This year it is mandatory for all coaches and league administrators to get a vulnerable sector check from their regional or provincial police.

We are also looking for sponsors to help with tournament expenses and/or special events. We look forward to hearing from you if this is where your interest lies in helping out.

It is imperative that we be made aware of any medical or behavioral problem that your child may have. We can be better prepared for potential situations without putting anyone at risk.

On registration day, please bring a completed 2019-2020 registration form which includes their OHIP number and for new members also a document to verify proof of age.

Yours in bowling
Winnie Spires
Program Director
